

HEAD AND NECK

RADIOLOGY MADE EASY

Saturday 29 April 2023
Monash University Caulfield

BACK IN 2023!

Ideal for both **Radiologists**, and **Part 2 FRANZCR** Exam Preparation

Course Structure:

Anatomy Review and Pathology Correlation with tips and tricks

Systematic approach for evaluation of Head and Neck cases including **"Robin's Rules"**

Illustrative cases - that Radiologists may encounter in daily practice as well as potential examples for Part 2 exam

Comprehensive Notes provided to all participants

Speaker:

Dr Robin Cassumbhoy MBBS FRANZCR

Radiologist
DiagnostiCare East Keilor
St Vincent's Hospital Melbourne
Western Health

Robin is renowned for her energetic and enthusiastic teaching of head and neck radiology both in Melbourne, and across Australia over at least 15 years.

She has a unique approach with a strong emphasis on anatomical - pathological correlation and "anatomy made easy".
